

V1.0

## FAVORIT COMPETITION

Particularly lightweight hose for new records at fire fighting competitions!

### WEAVING

- colour black (therefore insensitive regarding dirt)
- with orange-yellow identification stripe
- spun-dyed high tenacity multifilament polyester yarn
- 2-ply warp threads, circular woven, hardwearing and abrasion resistant

### LINING

- ageing- and ozone resistant polyurethane-lining
- additionally resistant to oil and petrol
- feather-light
